NHS APP

The NHS App provides a simple and secure way to access a range of NHS services from your smartphone, tablet, or web browser. With the NHS App, you can order repeat prescriptions, book and manage GP appointments, view your GP health record, register organ donation decisions, and access trusted NHS information on a variety of conditions. To get started, download the NHS App via the Google Play or App Store, or log in through the NHS website. You'll need to prove your identity to unlock full access to its features. For those caring for someone else, the app also allows you to manage health services on their behalf (depending on your GP surgery or hospital). Find out more about the NHS App and its features:

<https://www.nhs.uk/nhs-app/>

Remote access to your GP services

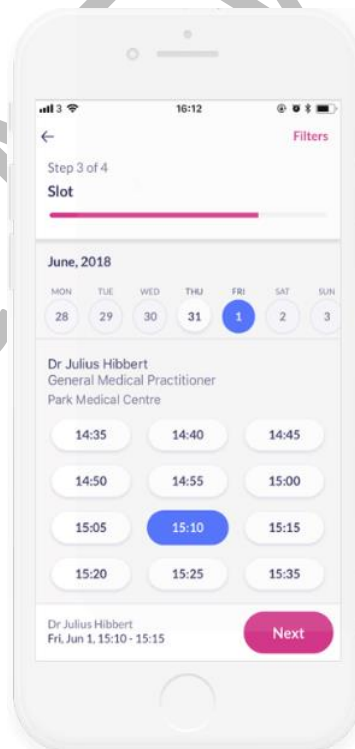

GP Appointments from home

- 📄 Book our GP appointment at a time that suitable to visit face 2 face appointment.

Order repeat prescriptions

- 📄 Request repeat prescriptions online, with delivery of your prescription to your preferred pharmacy

Patient Access gives you access to your GP, your prescriptions and pharmacy, as well as your health records. It also gives you lots of information on many health topics written by GPs. In these busy times, having this at your fingertips, 24 hours a day, is essential.

DECEMBER 2024

Merry Christmas and **Happy New Year** from Kirpal Medical Practice and Dr. Bhalla & Partners.

As the festive season approaches, we want to take a moment to wish you and your loved ones a very Merry Christmas and a Happy New Year.

We are grateful for your continued trust and support throughout the year. Our team remains committed to providing you with the best care possible as we move into the new year.

Please remember to check our opening hours and plan for any prescriptions or appointments you may need.
